R PLAN 3

1,800 SF

3 - 4 BEDROOMS

2.5 BATHS

The two-level Residence Three offers the option of a three or four-bedroom home, with two bathrooms and a powder room. A courtyard and front porch are low maintenance outdoor spaces, inviting light into the home. Choose to live with loft space or a fourth bedroom. Select secondary bedrooms include a walk-in closet. A pantry and laundry room give you extra space, and a two-car garage keeps your vehicles secure.
