The large Residence Five spans three levels of living with two to four bedrooms and two to four bathrooms. Customize your home to suit your living needs with options for additional bedrooms, a den, a wet bar, storage space, a garden, loft or rooftop decks, and a spa or tub in the master bathroom. The lower level opens onto a covered patio, while a terrace lies off the great room. Select secondary bedrooms include a walk-in closet, a pantry and laundry room give you extra space, and a two-car garage keeps your vehicles secure.
