The three-level Residence Six may be two to four bedrooms, with two to three full bathrooms and a powder room. Customize your space the way you want to live by selecting from additional bedrooms, a wet bar, a rooftop deck, a garden, storage, a loft, and a spa or tub in the master bathroom. Enter via a covered patio spanning the width of the home, and spend time outdoors on the main floor terrace. Select secondary bedrooms include a walk-in closet, a pantry and laundry room give you extra space, and a two-car garage keeps your vehicles secure.
